► REGISTRATION

3/25/25 - This Summit is Now at Capacity

For Waitlisted Attendees:

Registration is closed, but prospective attendees who signed on for the standby/waitlist may still receive a seat. When someone who is registered cancels, the next person on the standby/waitlist is registered automatically. At that time, the card on file will be charged and a registration confirmation email will be sent.

For Attendees Who are Already Registered:

If you need to cancel your current registration, please let us know before noon on Wednesday April 16, by emailing webmaster@squarefootage.net. You will provide an opening for a standby/waitlisted person to attend, AND we will waive all usual cancellation costs.

Because things happen... Purchase protection is now available when you register for this summit.

An executive summary & presentation materials are provided to Summit attendees.

► SESSIONS: INFORMATION YOU CAN USE NOW & IN THE FUTURE

The Summit's agenda is organized into four key themes:

1. Innovative Ideas
2. Emerging Best Practices
3. Advancing Care Delivery Models Across Diverse Communities
4. Leveraging Technology

We are currently assembling a roster of speakers to share the latest on planning, real estate, design, construction, and operations of healthcare and life science facilities. Discover the emerging trends, strategies, and technologies reshaping the industry. Network with your industry peers. Earn CEU credits. Gain valuable insights you can put to work the next day.

► INNOVATIVE IDEAS

Getting The Mix Right! Balancing Demand, Capacity, Care Models, Money, & Facilities

See how evolving social norms, demographic trends, changing care models, technology, and economic forces are changing all the rules in healthcare. Explore how healthcare systems need to realign their facilities plans to address the short- and long-term care needs in the divergent communities they serve. Identify the new opportunities, strategic partnership alternatives, and the dead ends to avoid.
